

St. Pölten, August 2024

Invitation

To the 75th Plant Breeder's Meeting 25 - 27 November 2024

The Austrian Seed Association invites you to participate at the 75th Plant Breeder's Meeting, 25 – 27 November 2024 in Aigen/Ennstal.

Deadline for registration: 8th November 2024

75 years in the service of plant breeding – From chi-square to genomic selection

The conference fee is for:

Members of the Austrian Seed Association:	100.- Euro
Non-members:	120.- Euro
Students (pre doc, with valid certificate):	70.- Euro

Important: All participants, including those who present a lecture or poster must register. For speakers we waive the conference fee.

Please use our online registration at www.saatgut-austria.at – Jahrestagung,
or return the attached registration form.

Tip: Poster registration will be open until October 31, 2024.

After we have received your registration, we will send you a letter of confirmation and will request the conference fee.

Aigen/Gumpenstein/Irdning are small villages. Hotels and pensions may be located outside the village itself. Enclosed please find a list of hotels and pensions, which will help you to book your accommodation.

If you travel to Gumpenstein by train there will be charged transfer between your accommodation and the train station or the conference venue. If you need this service, please let us know in the registration form.

We cordially invite you to participate in the traditional Gumpenstein **Conference Dinner on Monday, 25 Nov 2024.**

The cost for an excellent Styrian dinner and the transfer to and from the dinner is already included in the conference fee (only drinks are at your own expense).

To acclaim the anniversary, we are offering a tour of the research institute in Raumberg Gumpenstein on the afternoon of November 27th. Afterwards, participants have the opportunity to visit the Benedictine Abbey of Admont with the world's largest monastery library (<https://stiftadmont.at>). The cost of visiting Admont is € 21.5 per person including a guided tour of the library.
